

## **RULES AT PROM**

Whether this is your first murder mystery experience or your fortieth, each murder mystery experience is different and has different rules. Here are some tips to review to help make sure the night is an unforgettable experience.

- **READ YOUR CHARACTER SHEET-** This contains your identity and all the information you will need to play your part.
- **DON'T REVEAL EVERYTHING ABOUT YOUR CHARACTER-** While there are many things that everyone needs to know about you, there are some things that should remain secret. Use your discretion as to not give too much away—you may find out at the party that you are the killer indeed!
- **DRESS THE PART-** It's a proven fact that the more into character you are, the easier it will be for you to truly enjoy all the aspects of the night. In addition, it adds to the excitement, the photo opportunities, and your chance to be voted best dressed. See [www.totallyrad80spromgonebad.com](http://www.totallyrad80spromgonebad.com) for costume ideas.
- **REVIEW THE MAYHEM MIX-** Included in this invite will be the Mayhem Mix. Be sure to review the newsletter—it includes background information on the other guests attending the party. This information may come in useful the night of the party.
- **USE YOUR MONEY CREATIVELY-** Upon arrival, you will receive some money to spend any way you choose. Bribery and blackmail are two of the most common uses we found (and highly encouraged). The wealthiest player at the end of the night will also receive an award for their ability to turn a profit.

With their high school career coming to an end, the students of Mayhem High find themselves battling it out over grades, popularity, affection, class rankings and what they all have been focused on for years... who will be awarded the prom king and queen title?

Will it be the class president who is looking to extend his reign past the student council? The pompon captain who has used her moves to land more than a prom court nomination? Or possibly the math team captain who is desperate to make his name in something other than the math team.

**As the night unfolds, the royalty  
will be rewarded and an innocent life  
will be claimed.**

From the preppie to the punk rocker, the jock to the jilted— all are suspected although only one is to blame. Can you find the culprit in this crazy madness that is filled with neon, naughtiness and narcissistic behavior?
