MURDER AT GATSBY'S GALA

In an era of decadence and delight, the Gatsbys are known to throw the most elaborate and exquisite parties on West Egg, and this weekend will be no different.

With society's most notable and notorious set to attend, it is going to be a soiree to die for ... Until someone actually does!

As the party progresses the guests will be asked to inspect, interrogate, and investigate in order to uncover the killer.

Will it be the savvy songbird with silver screen dreams?

A corrupt police chief who pulls strings in the city?

A dainty doll with a dangerous side?

Or maybe the bold Bruno who ends up in bracelets.

With more motives than a moll's got minks, it will be up to the guests to find the gunsels before the night is through.

You'd be a real sap to skip out on this crafty and canny caper!

HOST GUIDE

Thank you for choosing Murder at Gatsby's Gala

We are confident you will find this comprehensive packet to provide everything you will want and need to run your very own murder mystery party—one that will have your guests talking about it for weeks, if not longer.

This murder mystery experience is designed to be easy to run and fun to play for all the guests involved. The game is played with all of your guests having active roles in the game and each guest having objectives to complete. These objectives keep the party from being pre-scripted and allow your guests to draw their own conclusions as to the motives and the identity of the murderer. This format also allows for great mingling among your guests and ensures that all of your guests feel included. Before the night is through, each guest will have discovered that they have a motive for killing the victim and be inclined to protect their innocence as well as seek out the murderer. To add to the experience and suspense of the night, the murder happens during the party, not before, as in some other murder mystery games. The victim is also allowed to play along after they 'die' since they have no clue who murdered them. Murder at Gatsby's Gala is certain to be a hit with all of your guests.

The following pages contain a simple list of things you need to do as host in order to have the party run smoothly. Once the party is going, it is up to the guests to make the most of it—something you will be surprised at how well they do.

Choosing the right version:

Gender Counts:

For 20+ guests: at least 5 males, 5 females, and 10 guests of gender-neutral

For 15-20 guests: 5 males, 5 females, 5-10 gender-neutral

For 10-15 guests: 2-4 males, 4 females, 4-7 gender-neutral

For 8-12 guests: 2-3 males, 3 females, 3-6 gender-neutral

Can I upgrade or downgrade between versions after purchase? Unfortunately, you cannot. With the exception of moving from the 15-20 guest version to the 20+ version, upgrading between mysteries is not an option, which is why we encourage getting an accurate guest count before purchasing.

How do I get an accurate guest count? It is recommended that you send out the general invite with an RSVP date of two weeks before the party. After your guests RSVP positive, you can send them their character sheet and other party information.

You can download an invite at: <http://www.nightofmystery.com/invitations>

Is this mystery suitable for youths and/or church groups? In general, our clean versions are void of references to illegal drugs, alcohol and/or extramarital affairs. In the Gatsby clean version, the clean versions DO mention alcohol in references to bootleggers and that alcohol was prevalent at the time..

HOST GUIDE

- Average parties range from 1.5-4 hours depending on a number of factors like how many guests you have, if you serve a meal, how well your guests mingle, etc.

Assigning Characters

- As host, you will need to decide upon a character for each of your guests. The easiest way to assign the characters is to read the character descriptions and match each character with the guest you feel suits that particular character the best. They will be listed in this host's guide, along with a sheet that will help you assign the characters best to your guests.
- **Is there a set character list?** Yes. You will not be able to pick and choose which characters are included with your mystery. This intro file has the guests listed for the 15-20 guest version. If you are curious about specifically which characters will be included with your purchase, you can email support@nightofmystery.com to inquire about that information ahead of purchase.
- **WHO CAN I ELIMINATE WITHOUT RUINING THE MYSTERY?** Information in mystery purchase. ***THE HOST CAN PLAY ALONG!***
- **Because this party is dependent on a minimum number of people showing up,** you need to determine ahead of time which guests are attending before assigning characters.
- **An accurate guest count is important.** It is recommended that you send out the general invite with an RSVP date of two weeks before the party. After your guests RSVP positive, you can send them their character sheet and other party information.
- **You can download an invite at:** <http://www.nightofmystery.com/invitations>
- **After purchase, you will not be able to “upgrade” or “downgrade” your party to the next level, so an accurate guest count is imperative.** **There is an upgrade when moving from the 15-20 guests version to the 20+ guest version for purchase on the site, but the 15-20 guest version is the only version where the upgrade works.
- **The killer will not know they are the murderer until they open their second envelope at the party.**
- **The victim will not know they are the victim until they get to the party.** The victim will take on the role of the investigator for the second half of the party.
- **The victim after “death”:** The victim will assume the role of the investigator after the murder.
- **As host, who should I be?** Information in mystery purchase.
- **Ideas for assigning couples:** Information in mystery purchase.
- **Different versions for this mystery:** Adult, Clean, Adult New Years Eve, Clean New Years Eve versions. In the Gatsby clean version, the clean versions DO mention alcohol in references to bootleggers and that alcohol was prevalent at the time..

Mayor Gibson – Mayor. With the right people in place, Mayor Gibson has managed to run a town untouched by crime—and will do everything to keep it that way.

Gertie Gibson – Mayor's wife. A woman of power and prestige, you can't tell if she is more proud of her son's success as a boxer or her continued title as Mayoress. There is little Gertie won't (or hasn't) done to get or stay in power.

Chief Curtis – Police chief. As the mayor's right hand, Chief Curtis has been the brute behind the brawn. But how long is the chief willing to continue being overlooked and keep it that way?

Sid Foreman – Boxer. As the heavyweight boxing champion, Sid's recent losing streak indicates he might be preoccupied with something, or someone, else. Sid may need to change his ways to get what he wants.

Billie Love – Hollywood star. This glorious Hollywood star is out for a visit, and it is hard to say if the holiday is meant to improve her relationship, popularity, career, or all of the above.

Gerry Jenkins – Tabloid reporter. With their nose in everybody's business, it is hard to say if Gerry is searching out the next scandal or already at the heart of it?

Tom Buchanan – Polo player. As Daisy's jilted ex, many wonder if he is desperate to win her back or simply trying to take advantage of her connections.

Dazzy Vance – Baseball player. Fans can't get enough of the cunning competitor, but whispers in the dugout suggest his success may be due to something more sinister than natural talent.

Charlie Charge – Lawyer. A higher-up in the Gatsby organization, Charlie has been craving a larger slice of the pie and will have a hard time settling for leftovers.

Eddie Brewer – Bootlegger. Known for their high-quality hooch and fast moves, Eddie has proven they will stop at nothing to keep the spirits flowing. But will Eddie's need for advancement put them behind?

Greta Gatsby – Accountant. As Jay's little sis, Greta is out to prove that her nimbleness, and not nepotism, got her where she is today.

Arnie Rothgreen – Bookie. A swindler at heart, there is not a situation Arnie can't twist to their advantage. Something that often gets Arnie out of trouble ... and into it.

Chappy – British aristocrat. A British toff that landed overseas, many have wondered what Chappy has invested in to keep their wealth flowing. And whether that investment could be deadly.

Nicky Money – Stockbroker. Always one step ahead of the market and the law. Some say Nicky's methods are unconventional, but their clients keep coming back for more.

HOST GUIDE

Some Frequently Asked Questions:

Can I run this as a first-time host? First-time hosts need not be wary. Night of Mystery parties have everything you need to throw a successful party and are designed to be easy-to-run.

CAN THE HOST PLAY ALONG WITHOUT KNOWING WHO THE VICTIM AND/OR MURDERER ARE? YES!!! Unlike some other mystery parties, we have designed our materials so that the hosts can play along! As host, you will read the host's guide in full to ensure that you are setting the game up correctly **WITHOUT** letting you know who the murderer is! If you wish to know the murderer, you can simply read the solution.

Will a murder happen AT the party? YES again! We found this adds to the excitement, intrigue, and fun of the party! It's another reason why we are a stickler for "no spoilers on social media" – we can't have pictures of the victims for fear of ruining the intrigue for others!

How can I pick the "right" party theme? We always recommend you pick the theme that you are most passionate about hosting and/or you believe your guests will be most excited about coming to! We do our best to accommodate multiple sizes within each party theme to accommodate that.

- If having specific gendered roles is important to you, please see the gender counts for the version you plan on ordering.
- Additionally, if you are worried about a mystery being too racy, please see our clean versions.
- If specific characters within a mystery are important to you, reach out to support@nightofmystery.com and we can let you know (specifically) which characters are included with the version you are considering.

Can I run this with my business and/or group organization? With a business license, you can run these mystery parties with your organized group and/or business. Please see our FAQ for more information on business licenses.

Do you come and run the party? We do not. Our services are in providing YOU with everything you need to throw your party in your own home or venue. IF you have a desire for someone else to run your party, please see our resources page for party planners who have purchased our business license and are licensed to run our parties in your area.

A Note about Social Media: While we LOVE to see your fun parties – and often highlight and cross-promote those who tag us – we can't have anyone posting pictures of spoilers! This includes, but is not limited to, pictures, videos, or mentions of the victim, murderer, and/or pertinent clues in the game. Since spoiler posts create a calculated loss of business, you can be liable to pay the calculated loss of sales upon discovery of the violation. So keep it fun, crazy, and show us your best spoiler-free content!!! **And don't forget to tag us after! #nightofmystery**

How does this work? All of our parties come as a professionally designed 50-125 page pdf. Immediately after completing your order, you will be able to re-login to your account using the username and password you established in the purchasing process. Once in your account, you can download your party (including optional emailable invitations for your guests) for 120 days.

HOST GUIDE

Hosting Tips

- Included in Mystery Purchase

Making the Invitations

- Before the party, each guest must receive three things: (1) the invitation, (2) The Gangster Gazette and (3) their character description. **Instructions on how to do so included with the mystery.**

Preparing the Materials for the Party

- It is best to view and print all of your materials from Adobe Reader, a free application. Be sure you do not use a Preview Application to print or view materials.
- For the name tag and label pages (optional), they are best printed on adhesive label paper. **Name tag and label pages are compatible with Avery labels 15163, 18163, 5163, 5263, 5523, 5663, 5963, 8163, 8253, 8463, 8663 and 8763.**
- Cut out and make name tags for the guests. You can print the name tags onto on adhesive label paper or print on regular paper and include a pin with the name tags so that the guests can secure them to their outfits.
- Photocopy the printout of the money onto green paper. You will need as many copies as there are guests attending. Trim the money and bundle them in packages of \$500.
—To skip this step, you can purchase fake/play money instead of printing the paper money.
—It is helpful to bundle your money using a paperclip.
- Cut the “A Objectives” sheets in half on the dashed lines. **DO NOT** cut the “B Objectives” sheets in half.
- Label two envelopes with each character’s name. Label one envelope with an (A) and one with a (B) for each character. On the (B) envelope, also put “**DO NOT OPEN until AFTER the murder.**”
OPTIONAL: We have formatted some labels that you can adhere to your envelopes, so that you will not need to label them yourself. Please see the label pages in the Mystery Materials pdf.

In the (A) envelopes place: a name tag, safety pin(s) to adhere the name tag, a bundle of money and the half-sheet of the character’s objective sheet that has objectives for the beginning of the party.

In the (B) envelopes place: the full-sheet objective sheet for each character which has objectives for after the murder happens. In addition, place the following: *Information included with mystery.*

- In a separate envelope place the Investigation sheet. Label it as “Investigation.”
- In a separate envelope place the Evidence Presentation. Label it as “Evidence.”
- Place the solution in a sealed envelope and label it “Solution.”
- Keep the “introduction,” the “investigation envelope,” the “evidence envelope,” and the “solution envelope” in a convenient location so you can hand them out throughout the night as guests need them.
- Make enough copies of the accusation sheets for the number of guests you have coming. Cut the pages along the dashed lines.

Night of
Mystery

HOST GUIDE

Stage One: The Guests Arrive

- Have the guests' name tags, bundle of money and their (A) envelopes available for them.

Stage Two: Introduction

- Once everyone has arrived, hand Jay Gatsby the Introduction and have him read it aloud.
- Have time for guests to mingle and complete their objectives.
 - This may require 30-60 minutes depending on how well your guests know each other.
 - If serving dinner, this is a good time for dinner to be served.

Stage Three: Murder & Investigation

- When guests start to settle down and you are sure the victim has completed all of their objectives (more information in your mystery packet what will happen here).
- Arrange for the lights to go off and a loud noise to sound (like a cap gun).
- When the lights come back on, the victim will have fallen down "dead."
- After the victim has "died," the host can outline the position of the body on the floor or ground. *Optional.*
- Announce to the crowd that Detective Dickie will now be joining you to investigate. Have the victim rise and assume the role of Detective Dickie.
- Hand Detective Dickie the "investigation envelope" and have them read the instructions aloud to the guests.
- Hand the guests their (B) envelopes. *This will have new information and objectives for the guests to complete now that the murder has occurred.*

Stage Four: Evidence Presentation

- When guests have settled down again, and Detective Dickie finishes their investigation, hand Detective Dickie the evidence envelope and have them present the evidence to the guests.
- It is best if the evidence is then laid on a table so that everyone may see it.
- Give your guests additional time to review the evidence. You may want to make multiple copies of the evidence so that it can be seen by everyone.
- Hand out the accusation sheets for guests to complete and hand back to you.

Stage Five: The Solution

- After all accusation sheets are handed in, use the tally sheet to calculate the winners. *If more than one person has guessed the murderer, you can award the Smoking Gun Award to the guest who has written the most correct information as to how they knew who the murderer was.*
- Have Detective Dickie read the solution aloud to the guests.
- Award the certificates to the winners!

COLD CASE REMAINS OPEN

The murder of Mayor Foreman remains unsolved two years after the incident occurred. The killer's identity and motive for the murder remain unknown despite extensive efforts from both the police force and the mayor's office. While the current mayor, Mayor Gibson, is successfully running a crime-free city, many in the community still feel the loss of Mayor Foreman.

The victim's son, Sid Foreman, a renowned heavyweight boxing champion, and Gertie Gibson, Mayor Foreman's widow and current mayor's wife, are among those still seeking answers. Gertie speculated in a recent interview that she believed her late husband was involved in organized crime, which contributed to his murder. However, Gertie also praised Mayor Gibson's commitment to upholding the law and protecting the community.

Mayor Gibson has vowed to continue the investigation until the culprit is found, and he has called on anyone with information to come forward and assist in solving the case. The unsolved murder of Mayor Foreman has left many feeling frustrated and fearful, but with the dedication and hard work of law enforcement, there is hope that justice will be served.

From Another Mystery

Banker Bob

As the bank owner in the town of Deadwood, you do business with many of the people in the town and also some of the participants of the Deadwood Poker Tournament. One of your foremost clients is Harry High-Stakes (the Deadwood Saloon owner). In order to get the saloon established and operating in its first year, you have loaned Harry a substantial amount of money. Although the saloon appears to be doing very well, you are uncertain why Harry is continually delinquent and sometimes misses his payments on his loan. Just last month, Harry was late again on his payment and you warned him that you will have to put his saloon into foreclosure if he cannot repay the money he owes on the loan by next month. You suspect that Harry is throwing the Deadwood Poker Tournament in order to get enough money so that he can repay his debt. This will be an important week to see if you will gain your money back from Harry's loan or if you will gain control over the saloon.

Because Harry is such a difficult and delinquent client, you hope that you will gain control over the saloon. If the saloon becomes the bank's property, you speculate that you may have a very wealthy buyer in Montgomery Money, an investor from the East. Because of Montgomery's reputation, you are certain that you will make a healthy profit off of selling the saloon to Montgomery and he will be consistent and reliable when making his loan payments.

In addition to all the excitement of the tournament, your bank was held up at gun point. Banker Bonnie (your wife) was watching the bank over the noon hour while you were meeting with Harry about his payments. Because of the high ante for the poker tournament, you are convinced that the robber must have been a gambler who was trying to accumulate enough money to pay for the entry fee. Since you view Sheriff Sam (the sheriff) as a very lazy individual, you plan on taking matters into your own hands when it comes to finding the culprit of the bank robbery and bringing them to justice! In addition, you do not believe that Sheriff Sam is a moral character as well. Just this past week, you saw Sheriff Sam taking money from Harry High-Stakes. While you do not know the details of the transaction, the secretive nature in which the money was exchanged suggests that it was not for an honest reason.

As the Deadwood Poker Tournament Party quickly approaches, you are looking forward to attending for a few reasons. First, the party will be a perfect place for you to talk business with Montgomery Money about his intentions on investing in the saloon if your bank gains control of it. Second, you plan to figure out which one of the poker players may have robbed your bank and you plan to bring them to justice! And lastly, by the end of the night, you will know whether Harry will have enough money to pay off his debt to you or if the saloon will be yours!

Acting and Dressing Your Part:

As the bank owner of Deadwood, you are a businessman first. Your bank and your money come before everything, including your wife Bonnie. Since you will be using the party to for business matters, you will want to dress dignified for the night. Consistent with the times, you may consider a button down shirt, vest, ascot and hat (bowler, derby, slouch, gambler or other). Popular of the time period, you may also consider adding in facial hair. For more ideas on how to dress and a glossary of wild western words and phrases to use at the party, please see www.nightofmystery.com and murderatthedeatwoodsaloons.com
